

Reelers Plus Class Recap 10/29/2019

Hello Plus Students!

Besides our usual "class recap", there is a lot of info here, so please read it all:)

CLASS RECAP

Tuesday was our 7th (of 14) Plus lessons. We are now at the halfway point for lessons. We have learned well more than 50% of the Plus calls. Ed very wisely plans to use our last few lessons for practice and review. Ed arrived early and helped a few early students with some review. I thought class was very fun and high energy. It felt like we are all starting to get this! We had three squares until the last tip when we dropped to two squares. Karen, Evelyn and Luke you were missed!
